The Ohio Trauma Registry Course (OTRC) has been approved by all Ohio governing bodies to be an equivalent course to the American Trauma Society (ATS) Course. The ATS course, or an equivalent, is required for individuals within 12 months of their hire date per the American College of Surgeons (ACS Orange Book). If you have any questions, contact Hannah Critelli, Chair, AOTR Education Committee at [critelh@ccf.org](mailto:critelh@ccf.org)
