

Are you a new
Trauma Data Professional
looking for some
expert support?

Members of the Alliance of Ohio Trauma Registrars have created a mentorship program to help people just like you! Contact us via email at ohiotraumaregistrars@gmail.com if you're interested in being paired up with a mentor in your area! Please provide your facility name and location, phone number and what type of help you're looking for!

Our mentors have a variety of experience levels in many different areas of the trauma registry that include:

- Getting Started
- Reporting
- Performance improvement
- Data validation
- Exporting/importing
- Excel/Word
- Verification visit
